## DAHLIA IMPORTERS

Again we bring you an Honor Roll Dahlia

### T A F F E T A

This cactus dahlia has a glistening orange color that will delight you. The stems are excellent and it is truly superb as an unusual cut flower. You will find it listed on Lynn B. Dudley's FLOWER GROWER Honor Roll.

Plants .....	\$5.00	Net
Rooted currings .....	3.35	"
Roots .....	7.50	"

In spite of the poor growing season in 1952 due to the intense heat and droughts in the mid-west, we were able to dig sufficient clumps of the better varieties to go to press with this price list of which we are proud.

We had carefully rogued all summer, destroying all plants that "couldn't take it" or that we deemed not completely up to exhibition standards. So we can again assure you that our stock is all "clean"—free from any disease—and it is all field-grown.

We guarantee the varieties to be true to name and will cheerfully replace any that are not.

The varieties listed we believe to be the best. We have added some new imports that performed well for us and there is no doubt but that they will do the same for you in your garden.

Our gardens are open for inspection at all times. We are just a short drive south of Route 17 east of Cleveland.

If you have any Dahlia problems, we will be glad to discuss them with you.

**DON'T BE DISAPPOINTED! ORDER EARLY  
BEFORE OUR STOCK IS EXHAUSTED!**

**WE PROUDLY PRESENT FOR 1953**
